

Volunteering at Farragut

2021-2022

Farragut LOVES and NEEDS its many volunteers!

All volunteers must obtain clearance before they can help out on campus during school hours.

The clearance process is as follows:

1. Attend a volunteer orientation (led by Principal Masterson) and receive a packet.
2. Provide paperwork showing a cleared TB test. (This step can be done before orientation.)
3. Complete the volunteer packet.
4. Bring completed packet to the Farragut office (by appointment) and receive final documents for fingerprinting.
5. Go to a Live Scan vendor as directed for fingerprinting.
6. Check with the front office to see if you have been cleared.
7. Clearance status typically lasts for the duration of your child's time as a CCUSD student.

Please stay tuned to the weekly Foxy Flyer email newsletter for upcoming volunteer orientation sessions.
